- To provide a broad and balanced curriculum, including PSHCE, where a range of issues and topics can be openly discussed and explored.
- To continue to deal effectively with those behavioural issues which arise so that all members of the school 'family' continue to feel happy and safe.
- To provide a wide range of support for pupils experiencing difficulties and/ or barriers to their learning.

"This is a community based on the teachings of Jesus, where everyone is valued and encouraged to achieve their full potential."
