

Mathematics Overview 2023.

At Our Lady of the Assumption Primary School we follow the White Rose Maths Scheme to support the teaching of mathematics.

For each year group, the scheme of learning includes an overview of the maths that your child should be learning at any point in the year. Each year is split into the three terms (Autumn, Spring and Summer), and each term comprises individual blocks of learning about a particular topic. You'll notice that in both Key Stages 1 and 2, lots of time is spent building strong number skills. These important core skills lay a solid foundations for more complicated learning later on. Below is an overview of year groups 1 – 6
